To Whom It May Concern:

My name is Laura Graulty, and I was Keegan Long's cooperating teacher at East High School for the fall semester of 2019. Together, Keegan and I taught Civics within the social studies department.

Keegan has many positive attributes. He is a hard-worker. Anytime I asked him to prepare something, he would step up and do it. Keegan is also very polite and respectful to all those he comes in contact with. He got along with his professional colleagues, and was well-liked by the students at East High School. He made an effort to be a part of their academic activities such as attending parent teacher conferences.

Keegan truly has a desire to work with young adults, as witnessed by his extensive work through Upward Bound here in Lincoln, and as a teacher cadet at Elkhorn Public Schools . Keegan grew tremendously throughout the semester I worked with him. He is always looking to improve, asking questions, and taking feedback. Keegan grew in confidence and leadership as the semester progressed, he was dependable, and I was impressed by the Gimkit game he created to help the students study for a test, and the mini unit he created for study skills.

Based on my experience with Keegan Long, I would recommend him to be considered for a Social Studies position. I know that he will continue to learn and grow in this career. Please do not hesitate to contact me if you have any additional questions.

Sincerely,

Laura Graulty
